Trion Management Appointed to Manage 234 Units at 44-14 Newtown Road and 67-30 Dartmouth Street, Queens, NY

Queens, NY- Trion Real Estate Management has assumed management of 234 units located in the Forest Hills and Astoria sections of Queens, NY. The properties selected Trion as their manager in late 2016 and have been off to a successful start with improved communication and staff supervision.

Trion Management president, Carmelo Milio, CPM, said, "We would like to welcome Newtown and Dartmouth Co-operatives to our team and thank them for the opportunity to manage their communities. I am confident that our team, led by Account Executive, Giovanni Puerta, ARM and Property Manager John Coleman, will successfully improve the financial and physical qualities of the buildings."

Trion Real Estate Management is a leading full-service property management company with a portfolio that exceeds more than 2000 co-op, condo and rental units under management throughout New York City and the Tri-State area for over 35 years. Trion offers a complete range of services including property management, maintenance and leasing. For more information, visit www.trionmanagement.com.
